

TCI EUROPE N.V.

# SAFETY DATA SHEET

According to 1907/2006/EC, Article 31

Revision number: 1

Revision date: 04/09/2019

## SECTION 1: Identification of the substance/mixture and of the company/undertaking

### 1.1 Product identifiers

**Product name:** Diethyl Phenylphosphonite  
**Product code:** D5593

### 1.2 Relevant identified uses of the substance or mixture and uses advised against

**Identified uses:** Reagents.

### 1.3 Details of the supplier of the safety data sheet

**Supplier:**

TCI EUROPE N.V.  
Boerenveldseweg 6  
Haven 1063  
B-2070 Zwijndrecht  
Telephone: +32(0)3 735 07 00  
E-mail: sales-eu@tcichemicals.com

**1.4 Emergency telephone number:** +32(0)70 245 245

## SECTION 2: Hazards identification

### 2.1 Classification of the substance or mixture

This product does not meet the criteria for classification in any hazard class according to Regulation (EC) No 1272/2008

|                                    |            |
|------------------------------------|------------|
| <b>Acute toxicity (Inhalation)</b> | Category 2 |
| <b>Skin corrosion/irritation</b>   | Category 2 |
| <b>Skin sensitization</b>          | Category 1 |

### 2.2 Label elements

**Pictograms or hazard symbols**

**Signal word**

Danger

**Hazard statements**

H330-Fatal if inhaled.  
H315-Causes skin irritation.

**Precautionary statements**

H317-May cause an allergic skin reaction.  
P260-Do not breathe mist, vapours or spray.  
P284-Wear respiratory protection.  
P280-Wear protective gloves.  
P302+P352+P333+P313+P362+P364-IF ON SKIN: Wash with plenty of soap and water. If skin irritation or rash occurs: Take off contaminated clothing. And wash it before reuse.  
P304+P340+P310-IF INHALED: Remove person to fresh air and keep comfortable for breathing. Immediately call a POISON CENTER or doctor.  
P403+P233-Store in a well-ventilated place. Keep container tightly closed.

### 2.3 Other hazards

**Results of PBT and vPvB assessment**

**PBT:** Not applicable  
**vPvB:** Not applicable

## SECTION 3: Composition/information on ingredients

### 3.1 Substances

|                          |  |
|--------------------------|--|
| <b>Components:</b>       | Diethyl Phenylphosphonite                                      |
| <b>Percent:</b>          | >96.0%(GC)   |
| <b>CAS RN:</b>           | 1638-86-4  |
| <b>EC-No:</b>            | 216-676-7  |
| <b>Synonyms:</b>         | Diethoxyphenylphosphine , Phenylphosphonous Acid Diethyl Ester |
| <b>Chemical Formula:</b> | C <sub>10</sub> H <sub>15</sub> O <sub>2</sub> P               |

## SECTION 4: First aid measures

### 4.1 Description of first aid measures

|                                    |  |
|------------------------------------|--|
| <b>Inhalation:</b>                 | Remove victim to fresh air and keep at rest in a position comfortable for breathing. Immediately call a POISON CENTER or doctor/physician.                                     |
| <b>Skin contact:</b>               | Remove/Take off immediately all contaminated clothing. Gently wash with plenty of soap and water. If skin irritation or rash occurs: Get medical advice/attention.             |
| <b>Eye contact:</b>                | Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention. |
| <b>Ingestion:</b>                  | Get medical advice/attention if you feel unwell. Rinse mouth.  |
| <b>Protection of first-aiders:</b> | A rescuer should wear personal protective equipment, such as rubber gloves and air-tight goggles.  |

### 4.2 Most important symptoms and effects, both acute and delayed

No data available

### 4.3 Indication of any immediate medical attention and special treatment needed

No data available

## SECTION 5: Firefighting measures

### 5.1 Extinguishing media

|  |  |
|--|--|
| <b>Suitable extinguishing media:</b>   | Dry chemical, foam, water spray, carbon dioxide. |
| <b>Unsuitable extinguishing media:</b> | Solid streams of water                           |

### 5.2 Special hazards arising from the substance or mixture

Take care as it may decompose upon combustion or in high temperatures to generate poisonous fume. Carbon dioxide, Carbon monoxide, Phosphorus oxides

### 5.3 Advice for firefighters

Fire-extinguishing work is done from the windward and the suitable fire-extinguishing method according to the surrounding situation is used. Uninvolved persons should evacuate to a safe place. In case of fire in the surroundings: Remove movable containers if safe to do so. When extinguishing fire, be sure to wear personal protective equipment

## SECTION 6: Accidental release measures

### 6.1 Personal precautions, protective equipment and emergency procedures

Use personal protective equipment. Keep people away from and upwind of spill/leak. Ensure adequate ventilation. Entry to non-involved personnel should be controlled around the leakage area by roping off, etc

### 6.2 Environmental precautions

Prevent product from entering drains

### 6.3 Methods and materials for containment and cleaning up

Absorb spilled material in a suitable absorbent (e.g. rag, dry sand, earth, saw-dust). In case of large amount of spillage, contain a spill by bunding. Adhered or collected material should be promptly disposed of, in accordance with appropriate laws and regulations.

### 6.4 Reference to other sections

For disposal see section 13.

## SECTION 7: Handling and storage

### 7.1 Precautions for safe handling

Handling is performed in a well ventilated place. Wear suitable protective equipment. Prevent generation of vapour or mist. Wash hands and face thoroughly after handling. Use a closed system if possible. Use a ventilation, local exhaust if vapour or aerosol will be generated. Avoid contact with skin, eyes and clothing.

### 7.2 Conditions for safe storage, including any incompatibilities

Keep container tightly closed. Store in a refrigerator. Store under inert gas. Store locked up. Store away from incompatible materials such as oxidizing agents. Heat-sensitive, Air-sensitive

### 7.3 Specific end use(s)

No further relevant information available.

## SECTION 8: Exposure controls/personal protection

### 8.1 Control parameters

No data available

### 8.2 Exposure controls

Install a closed system or local exhaust. Also install safety shower and eye bath.

#### Respiratory protection:

Half or full facepiece respirator, self-contained breathing apparatus(SCBA), supplied air respirator, etc. Use respirators approved under appropriate government standards and follow local and national regulations.

#### Hand protection:

Impervious gloves.

#### Eye protection:

Safety goggles. A face-shield, if the situation requires.

#### Skin and body protection:

Impervious protective clothing. Protective boots, if the situation requires.

## SECTION 9: Physical and chemical properties

### 9.1 Information on basic physical and chemical properties

|                                    |                          |
|------------------------------------|--------------------------|
| Physical state (20°C):             | Liquid                   |
| Form:                              | Clear                    |
| Colour:                            | Colorless - Almost white |
| Odour:                             | No data available        |
| pH:                                | No data available        |
| Melting point/freezing point:      | No data available        |
| Boiling point/range:               | 235°C                    |
| Flash point:                       | No data available        |
| Evaporation rate(Butyl Acetate=1): | No data available        |
| Flammability(solid, gas):          | No data available        |
| Flammability or explosive limits:  |                          |
| Lower:                             | No data available        |
| Upper:                             | No data available        |
| Vapour pressure:                   | No data available.       |
| Vapour density:                    | No data available        |
| Relative density:                  | 1.03                     |
| Solubility(ies):                   |                          |
| [Water]                            | No data available        |
| [Other solvents]                   | No data available        |
| Partition coefficient:             | No data available        |
| n-octanol/water:                   |                          |
| Autoignition temperature:          | No data available        |
| Decomposition temperature:         | No data available        |
| Dynamic Viscosity:                 | No data available        |
| Kinematic viscosity:               | No data available        |

9.2 Other safety information No data available

## SECTION 10: Stability and reactivity

|   |  |
|---|--|
| 10.1 Reactivity                         | No data available                                  |
| 10.2 Chemical stability                 | Stable under proper conditions.                    |
| 10.3 Possibility of hazardous reactions | No special reactivity has been reported.           |
| 10.4 Conditions to avoid                | No data available                                  |
| 10.5 Incompatible materials             | Oxidizing agents                                   |
| 10.6 Hazardous decomposition products   | Carbon dioxide, Carbon monoxide, Phosphorus oxides |

## SECTION 11: Toxicological information

### 11.1 Information on toxicological effects

|                                    |                   |
|------------------------------------|-------------------|
| Acute Toxicity:                    | No data available |
| Skin corrosion/irritation:         | No data available |
| Serious eye damage/irritation:     | No data available |
| Respiratory or skin sensitization: | No data available |
| Germ cell mutagenicity:            | No data available |
| Carcinogenicity:                   |                   |
| IARC =                             | No data available |
| NTP =                              | No data available |
| Reproductive toxicity:             | No data available |
| STOT-single exposure:              | No data available |
| STOT-repeated exposure:            | No data available |
| Aspiration hazard:                 | No data available |

## SECTION 12: Ecological information

|  |                   |
|--|-------------------|
| <b>12.1 Toxicity</b>                           |                   |
| <b>Fish:</b>                                   | No data available |
| <b>Crustacea:</b>                              | No data available |
| <b>Algae:</b>                                  | No data available |
| <b>12.2 Persistence and degradability</b>      | No data available |
| <b>12.3 Bioaccumulative potential</b>          | No data available |
| <b>12.4 Mobility in soil</b>                   |                   |
| <b>Log Pow:</b>                                | No data available |
| <b>Soil adsorption (Koc):</b>                  | No data available |
| <b>Henry's Law (PaM<sup>3</sup>/mol):</b>      | No data available |
| <b>12.5 Results of PBT and vPvB assessment</b> |                   |
| <b>PBT:</b>                                    | Not applicable    |
| <b>vPvB:</b>                                   | Not applicable    |
| <b>12.6 Other adverse effects</b>              | No data available |

## SECTION 13: Disposal considerations

### 13.1 Waste treatment methods

Recycle to process, if possible. Consult your local regional authorities. You may be able to burn in a chemical incinerator equipped with an afterburner and scrubber system. Observe all federal, state and local regulations when disposing of the substance.

## SECTION 14: Transport information

|  |                              |
|--|------------------------------|
| <b>14.1 UN number</b>                    | 2810                         |
| <b>14.2 UN proper shipping name</b>      |                              |
| <b>ADR/RID</b>                           | Toxic liquid, organic, n.o.s |
| <b>IMDG/IMO</b>                          | Toxic liquid, organic, n.o.s |
| <b>ICAO/IATA</b>                         | Toxic liquid, organic, n.o.s |
| <b>14.3 Transport hazard class(es)</b>   |                              |
| <b>ADR/RID</b>                           | 6.1: Toxic substance         |
| <b>IMDG/IMO</b>                          | 6.1: Toxic substance         |
| <b>ICAO/IATA</b>                         | 6.1: Toxic substance         |
| <b>14.4 Packaging group</b>              |                              |
| <b>ADR/RID</b>                           | II                           |
| <b>IMDG/IMO</b>                          | II                           |
| <b>ICAO/IATA</b>                         | II                           |
| <b>14.5 Environmental hazards</b>        |                              |
| <b>Marine pollutant</b>                  | -                            |
| <b>14.6 Special precautions for user</b> | No data available            |

## SECTION 15: Regulatory information

### 15.1 Safety, health and environmental regulations/legislation specific for the substance or mixture

|   |            |
|---|------------|
| <b>Substance of Very High Concern (SVHC) according to the REACH Regulations (EC) No.1907/2006</b> | Not listed |
|---|------------|

|  |  |
|--|--|
| <b>15.2 Chemical safety assessment</b> | A chemical safety assessment has not been carried out. |
|--|--|

**SECTION 16: Other information**

**Prepared by:** TCI EUROPE N.V.  
**Issue date:** 04/09/2019

This SDS was prepared sincerely on the basis of the information we could obtain, however, any warranty shall not be given regarding the data contained and the assessment of hazards and toxicity. Prior to use, please investigate not only the hazards and toxicity information but also the laws and regulations of the organization, area and country where the products are to be used, which shall be given the first priority. The products are supposed to be used promptly after purchase in consideration of safety. Some new information or amendments may be added afterwards. If the products are to be used far behind the expected time of use or you have any questions, please feel free to contact us. The stated cautions are for normal handling only. In case of special handling, sufficient care should be taken, in addition to the safety measures suitable for the situation. All chemical products should be treated with the recognition of "having unknown hazards and toxicity", which differ greatly depending on the conditions and handling when in use and/or the conditions and duration of storage. The products must be handled only by those who are familiar with specialized knowledge and have experience or under the guidance of those specialists throughout use from opening to storage and disposal. Safe usage conditions shall be set up on each user's own responsibility.

**End of Safety Data Sheet**
